Services offered by an employee at Hermits Point Medicine are not intended to substitute for those offered by a licensed medical doctor when needed. Referrals are made for further workup and treatment when appropriate. Patients may seek a second opinion from other health care practitioners or terminate therapy at any time. The patient is entitled to receive information about the methods of therapy, the techniques used, and the duration of therapy.

This clinic complies with the rules and regulations promulgated by the Colorado Department of Health, including the proper cleaning and sterilization of needles and the sanitation of acupuncture offices. Only single use, disposable, factory sterilized needles are utilized.

In a professional relationship, sexual intimacy is never appropriate and should be reported to the Director of Professions and Occupations. Some services offered in this clinic are regulated by the Colorado Director of Professions and Occupations. If you have comments, questions, or complaints, contact the following office:
